

CELEBRITY CONSTELLATION

Get ready for a phat taste adventure, dudes! From grabbing Pizza Hut-style slices and Taco Bell-worthy late-night bites to dreamy dinners, the Constellation is servin' up everything from comfort-food throwbacks to bold, slammin' flavors. Think Surge-level energy, Dunkaroos for your sweet tooth, and dishes so fresh they'd make a Lunchables tray jealous.

INCLUDED DINING OPTIONS

In the Main Dining Room, every meal is like hitting "shuffle" on your Discman — a world tour with a totally fly twist. By day, it's the perfect hang for brunch, bottomless mimosas, and trading mixtape stories like you're back in the cafeteria with your crew. By night, the vibe flips to a multi-level, show-stopping dining experience where every course drops like a chart-topping hit — from spicy jams that kick it up to smooth slow-jam flavors that keep it chill.

The Oceanview Café is your all-day flavor fix, serving up everything from omelets like mom whipped up before school to fresh salads straight outta the mall food court. Think sizzling stir-fries, juicy burgers, nachos that scream Friday night hangout, and desserts sweeter than a pack of Gushers. From throwback comfort food to bold global bites, every plate is packed with phat flavor and even bigger fun — it's basically a food court glow-up with ocean views.

Poolside grub, 90s style. Kick back in the sun, rock your shades, and fuel up between cannonballs with burgers, salads, and sandwiches that hit harder than a Fresh Prince punchline. With ocean views as your backdrop and a chill top-deck vibe, the Mast Grill is the place to keep it real while you feast in the sea breeze.

SPECIALTY DINING OPTIONS (Additional fees apply, reservations recommended)

Talk about next-level exclusive, Luminæ is straight-up VIP, serving globally inspired menus you won't find anywhere else on board. And here's the kicker: each menu is a total one-hit wonder, making its debut for one night only before it drops off the charts. Every day brings a brand-new lineup of flavors, fresher than a mixtape you just burned on your CD-R..

Sushi on Five is serving up flavor that's all that and a bag of wasabi peas. Curated by expert restaurateur and sushi master Yoshikazu "Yoshi" Okada, the menu hits like a greatest-hits playlist of Japanese specialties. Roll with complex flavors in hand-crafted sushi and nigiri — tuna, shrimp, eel, and more — or keep it chill with sashimi classics like salmon, yellowtail, and octopus. Either way, it's fresher than a brand-new pair of Air Jordans.

Rustic elegance with a contemporary, minimalistic edge. Guests dining in Tuscan Grille will enjoy a lively, sophisticated atmosphere, serving iconic Italian dishes with a modern twist. The fresh, original menu features handmade pasta, artisanal salumi, fish, butcher cut meats, and USDA Prime dry aged steaks.

PURCHASE TRAVEL INSURANCE

Picture the gang heading on vacation—Joey forgets his passport, Ross loses the luggage, and Chandler's sarcasm doesn't help when flights get delayed. Travel insurance is your Central Perk-approved safeguard, keeping everything under control when the trip doesn't go exactly as planned—whether it's medical mishaps, flight delays, or missing bags. Remember, your reservation payments are non-refundable. Though insurance may be purchased up to 48 hours prior to sailing, to secure the broadest coverage, insurance should be purchased as early as possible.
