80s ALUMNI CRASH THE 90s CRUISE

Some familiar friends from *The 80s Cruise* have hopped aboard after hearing just how legit *The 90s Cruise* is. Kick things off with an Acoustic Jam featuring Kevin Hamel and Matt Quinton in the Grand Foyer, then turn it up with Steel Rod live at The Chat Room. These fan favorites didn't just survive the 90s, they thrived in it, rocking stages coast to coast with feel-good hits and pure throwback energy.

KEEP THE PARTY GOING

After Sugar Ray, even Key West needs a breather. Our pool-deck reputation for cranking it loud has us heading indoors for a bit, but the party doesn't slow down. Keep it rolling with Retro DJ Travis Bell spinning the Conch Republic Sunset Party, Tonic rocking the Main Stage with open seating, and 90s Karaoke hosted by The 90s Crew. We'll be back poolside later on.

90s SPRING BREAK!

No 90s Spring Break Party is complete without DJ Kool bringing the heat. Get ready for nonstop throwback beats, call-and-response anthems, and the kind of high-energy vibes that defined beach parties, pool decks, and late nights all decade long. This is hands-in-the-air, sing-it-loud, don't-leave-the-floor fun. If you're chasing peak Spring Break energy, this is the party you don't miss.
